Principal’s Report

Zone Swimming Carnival

Our best wishes go to each member of the Zone swimming squad who will represent the school at the Zone Swimming Carnival tomorrow. I know that each student will represent the school with distinction. Good luck!

‘Tell Them From Me’ student feedback survey

This term, our school, like many others in the state, will participate in a Department of Education and Communities initiative: the Tell Them From Me student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the Tell Them From Me survey to help improve how they do things at school.

Please be assured that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 17 March and 2 April. Participating in the survey is entirely voluntary.

A consent form for parents/carers about the survey was sent home with students today. If you do not want your child or children to participate, please return the form to school by Friday 13 March. FAQs are available from the website above.

Cyber Safety Information Night

Thank you to those parents who attended last night’s presentation on Cyber Safety. We trust that you left with a greater understanding of how we can help keep our children safe when they are on-line. Thank you to Mr Brock for sharing his knowledge so generously and to Miss Machuca for her co-ordination of the evening.

“Clean Up Lindfield” Day

A special “Thank You” to everyone involved in assisting with the school working bee last weekend. Our volunteers were involved in weed removal, hedging, mulching, planting and general tidying up around the school. The results are outstanding and speak for themselves! Special mention to Sarah Burnett, Sandra Napoli and the members of the P&C LEAF committee for their co-ordination of the day. Thank you also to Mrs Cornell, Mrs Desmond, Mrs Scott and Miss Young who gave their time to cook the BBQ!

Craig Oliver
Principal
Year 4-6 Cyber Safety Information Night

Thank you to Mr Brock, our ICT teacher, who presented on cyber safety on Tuesday evening. He covered issues such as how to recognise cyber bullying and the ways you can help your child at home. The pros and cons of social media were also addressed, as well as helpful tips to consider when allowing your child to use technology at home. If you were unable to attend but would like some further tips please see the note later in this newsletter for further information.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2015, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school’s **NO FOOD SHARING** message.
WELCOME TO THE LIBRARY
IN 2015

We are excited to see all students back in the library and strongly encourage them to borrow consistently and read widely.

Every student has been asked to bring a library bag with them for borrowing. Using a library bag helps protect our wonderful collection as well as helping keep students organised for their visits to the library.

Premier's Reading Challenge

We look forward to as many students as possible taking part in the 2015 Premier's Reading Challenge which has now commenced.

A reminder to parents that you need to register and manage the task of entering the books online. To do this, you need your child's school login details. Last week, a note was sent home with individual student login details.

Students in Years K-2 do not need to be independent readers to take part in the challenge. They can have a story read to them instead and this will count towards the 30 books needed to complete the challenge by August. This includes stories found on the Premier's Reading Challenge booklist read as a class in library lessons. To encourage all K-2 students to take part in the Challenge, these titles will be added to student lists by the librarian as they are read.

Students in Years 3-6 are strongly encouraged to take part in this excellent reading program. These students will only need to read 20 books to complete the challenge by August.

Looking forward to a fun, productive and informative year in the Library.

LILY’S LOST AND FOUND CREW

Lily R is in year 6 and is starting up ‘Lily’s Lost and Found Crew’, which is a group of Stage 3 students who are going to help sort out the school’s lost property.

They will be collecting all the named items and returning them to their owners. Any un-named items will be taken home and washed and then given to the clothing pool to be re-sold.

Lily’s Crew consists of Lily R and Alice M from Year 6 along with Felicity C, Maddie H, Amelia J and Annabelle J all from Year 5. If anyone is interested in joining they are more than welcome.

So don’t forget to look after your property and make sure that it is clearly labelled with your name.

Lily’s Lost and Found Crew have already begun their duties. Next time you see Lily please congratulate her on such a wonderful idea and thank her for helping our school.

Lily hopes that this group can continue on next year with our current year 5 students taking over.

A tremendous thank you to all of the parents that attended the Cyber Safety Information Night run by our dedicated ICT teacher, Mr Brock.

It was wonderful to see so many parents coming to learn about how to be a good digital citizen and how we can keep our kids at LPS safe when they are online.

Some of the key points taken away from the night include:

1. The importance of understanding and talking about Cyber bullying both at home and at school.
2. Know the websites your child is using and monitor their activities
3. Use filtering and blocking software as part of a comprehensive approach to online safety.
4. Locate the computer or devices in a shared or visible place at home.
5. If your child is using the internet, they are creating a digital footprint. As such, there is no anonymous use of the internet and we all need to be careful about what we share online.
Useful links

Below is the link to the Cyber Smart website http://www.cybersmart.gov.au/

as well as links to the handouts which were distributed on the night.

What a fantastic start for our Junior Band!
"Was this really your very first week playing music together? You are already behaving like a professional band! The first two rehearsals have been very impressive indeed, and it is exciting to imagine what kind of band you'll be when you get to the end of year 6 in 2018!"
Megan Lipworth, Band director and JB conductor.

A New Heart for Lindfield - Redevelopment of Woodford Lane Car Park,

Your thoughts.....Your Preferences.....Your Feedback

(This request was in your recent Lindfield Lines however there was a technical problem with the link. We have now fixed it and ask that you complete the survey by clicking the link below.)

- Ku-Ring-Gai Council is now entering a new phase where consultants will prepare and evaluate a master plan for each of Council’s four options for this 12,000 sqm site. Each could have quite different outcomes e.g. village type and atmosphere, retail amenity, building height, cost to Council (rate payers), traffic generation, type of open space e.g. plaza and green park land.

- Support Lindfield is a local community group which is working collaboratively with all stakeholders to create a new heart for our village that incorporates a Community Hub. Our mission is to create a people place of hybrid spaces, a focus of Lindfield community life for all. A green, active and safe village square that integrates with an inspiring building containing a new age library, family cafes, activity/meeting/performance areas and much more, all linked to short and long term parking and station access.

- All of the four options include the Community Hub, short and long term basement parking and open space (village green/plaza). Commercial uses that have market demand are incorporated to help offset the cost of the community components. These uses largely centre around the extent/type of retail/supermarket and number of apartments. We have deliberately not described the four Council options here so as not to bias the survey.

- Council expects to put the four master plan options on display in March or April of this year. We will get in touch again at that stage to provide opportunities for you to have further input.

Your input is Valuable....Complete our Survey now:

We need your help to identify the community’s key priorities for the four Council options. Click on the link and complete our short 10 minute survey. We’d like to know a bit about you so that views of different segments of our community can be better understood. Be assured all personal details will remain confidential.
