2018 ANNUAL SCHOOL CONTRIBUTIONS K-6

Dear Parents and Carers

Welcome to the 2018 school year. Lindfield Public School seeks to provide a high quality education for all our students. To this end we seek financial contributions from our families. These contributions and their purposes are explained below. All funds go directly towards enriching the education and facilities for our children. In addition to this annual contribution, Term Accounts will be issued every term to cover items such as excursions, incursions, Physical Education (PE) and Swimming lessons, Athletics and specific resources as relevant to each grade. Term 1 Accounts will be issued later this term.

It would be appreciated if this payment could be made by **Friday, 23 March 2018**. Could you please complete one form for each child. Please do not hesitate to contact the Principal for a confidential discussion if you are experiencing financial difficulty.

Thank you for your support of our school and for helping us to provide a rich learning experience for all.
