Summer PSSA Weekly Training Sessions

Dear Parents and Carers,

This term all PSSA members will be required to attend weekly training sessions. The allocated time for each team is listed below. If your child is unable to attend this training session please contact the teacher coaching your child's team immediately. Please also understand that there will be no supervision for students prior to the times allocated below.

If the training day does not coincide with the scheduled sports or PE day, students may wear their runners for the training session and change into school shoes before class commences.

There will be **no training in Week 2** as there are no PSSA games that week due to the Ryde Schools Spectacular dress rehearsal.
