Dear Parents and Carers,

To support our unit of work on 'Government and Democracy', Stage 3 students will be going on an excursion to State Parliament House. The excursion will focus on exposing students to the workings of democracy and the state government. They will be involved in role play activities and a tour of the chambers.

Students will also visit the Sydney Botanical Gardens and participate in a guided walk through various areas of the gardens. This experience will provide students with the opportunity to appreciate a variety of biomes and develop ideas for future creative writing sessions.
