

## Think U Know Parent/Carer Cyber Safety and Security Presentation

Dear Parents and Carers,

Lindfield Public School will be hosting a ThinkUKnow presentation on **14 June at 6:30pm in the school hall**. All parents and carers are encouraged to attend.

ThinkUKnow Australia is a cyber safety education program that educates parents, carers and teachers in how people are using technology, the challenges they may face online, and how to help them overcome these in a safe and ethical way.

ThinkUKnow Australia is a partnership between the Australian Federal Police, Microsoft Australia, Datacom and the Commonwealth Bank. The presentation will be delivered by a local law enforcement member and an industry volunteer. The session covers issues relating to children and young peoples' privacy and security online, their relationships with other users and their online reputation. It provides insight into the devices young people are using, as well as the popular websites, apps and social networking sites they're accessing.

This is a fantastic opportunity for you to learn more about young people and the online environment, and how you can help them to be safe and responsible users of technology.

For more information, you can visit [www.thinkuknow.org.au](http://www.thinkuknow.org.au) .

To book your place go to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) and follow these simple instructions.
