## HIGH SCHOOL ENROLMENT FORM PLACEMENT IN YEAR 7 2018

Dear Parents and Carers

The high school enrolment form for entry into Year 7 2018 has been sent home today. This guide contains a wealth of information surrounding the transition to secondary school, government secondary schooling options and the expression of interest form.

Please complete the enrolment form carefully and return it to your child's class teacher. Please return the form **NO LATER THAN FRIDAY 17 MARCH 2017**. This allows us time to process the forms before forwarding them on to the high schools.

**EVERY student must return a form regardless of whether they will be attending a public school, independent school or overseas school. If a public school placement is not required, then please complete SECTIONS A and E only.**

Your child's designated local high school has been listed on the form. It has been determined by your residential address that you have previously provided the school. If this address is incorrect, please notify us immediately. If the designated local high school does not correspond with your choice, please complete SECTION C requesting a non-local placement. Please **DO NOT WHITE OUT** any information that has been recorded on your child's form.

If your son or daughter is sitting the **Selective High School** test, please ensure that you fill in SECTION D as this assists us with tracking the students.

Please sign all sections where a parent signature is required, as following up incorrectly completed forms takes up unnecessary time. Thank you for your cooperation.

If you require any further information, please feel free to contact Mr Katrak [cyrus.katruk@det.nsw.edu.au](mailto:cyrus.katruk@det.nsw.edu.au) or Miss Mustaca [angela.mustaca@det.nsw.edu.au](mailto:angela.mustaca@det.nsw.edu.au)
